1.4. The SMME and new importer's category means SMME's and new importers that do not qualify under the historical or BEE-category.

(a) SMME and new importers on an equal basis;

(b) BEE importers either on an equal basis or as a historical importer, whichever will enhance government policy for BEE development; and

(c) Historical importers in proportion to the average quantity of the product concerned, imported by the applicant during the past three years (submitted for each year as from 1 November to 31 October) or the period stipulated for the product in column 5 of the Table.

4.3 The quantity imported by a historical importer will be calculated on the basis of a detailed list of bills of entry for the product concerned submitted together with the application form, for the period stipulated for the product in column 5 of the Table.

4.4 (a) If the allocation for a particular category is not fully utilised, the balance may be re-allocated to the other categories, or may be held over for the particular category for the following application period stipulated for the year under consideration.
