

REPUBLIC OF SOUTH AFRICA

SERVICE CHARTER

PSCBC Resolution 1 of 2013

The Service Charter Preamble

We, the parties in the Public Service Coordinating Bargaining Council (PSCBC) representing the State as Employer and public servants:

Affirm our commitment to upholding the values and principles of public administration enshrined in Section 195 of the Constitution and other laws, policies and frameworks.

Uphold the Constitutional responsibility of the State clearly articulated in the Bill of Rights to deliver services to the citizenry.

Note the continued efforts of the State and public servants in building a developmental state that is inclined towards addressing the needs of the majority of the population particularly those that had been historically disadvantaged.

Acknowledge the service delivery challenges in the public service.

Equally concerned about the increasing manifestation of corruption in the public service and the negative impact it has on the socioeconomic and political landscape of the country.

Believing in the rich history of our democratic dispensation which entrenches values and principles of human rights, social, economic and political rights.

Motivated by the proven value of collaboration in building a new South Africa, and encouraged by the willingness of all the parties in working towards a common goal of finding mutually-beneficial solutions to our common challenges.

Commit ourselves to this Charter.
