

REPUBLIC OF SOUTH AFRICA

ADJUSTMENTS APPROPRIATION BILL

*(As introduced in the National Assembly (proposed section 77))
(The English text is the official text of the Bill)*

(MINISTER OF FINANCE)

[B 16—2016]

ISBN 978-1-4850-0327-4

No. of copies printed 800

BILL

To effect adjustments to the appropriation of money from the National Revenue Fund for the requirements of the State in respect of the 2016/17 financial year; and to provide for matters incidental thereto.

PREAMBLE

WHEREAS section 213(2) of the Constitution of the Republic of South Africa, 1996, provides that money may be withdrawn from the National Revenue Fund only in terms of an appropriation by an Act of Parliament or as a direct charge against that Fund, when it is provided for in the Constitution of the Republic of South Africa, 1996, or an Act of Parliament;

WHEREAS the Appropriation Act, 2016 (Act No. 6 of 2016), provides for the appropriation of money from the National Revenue Fund to provide for the requirements of the State in respect of the 2016/17 financial year;

AND WHEREAS section 12(1) and (2) of the Money Bills Amendment Procedure and Related Matters Act, 2009 (Act No. 9 of 2009), provides for the tabling of a national adjustments budget, as envisaged in section 30 of the Public Finance Management Act, 1999 (Act No. 1 of 1999), and an adjustments appropriation Bill, to make adjustments to the appropriations in an Appropriation Act,

BE IT THEREFORE ENACTED by the Parliament of the Republic of South Africa, as follows:—

Interpretation

1. In this Act, unless the context indicates otherwise, any word or expression to which a meaning has been assigned in section 1 of the Appropriation Act, 2016 (Act No. 6 of 2016), or section 1 of the Public Finance Management Act, 1999 (Act No. 1 of 1999), must bear the meaning so assigned. 5

Adjustments to appropriations of money for requirements of State

2. (1) Adjustments to appropriations by Parliament of money from the National Revenue Fund for the requirements of the State in the 2016/17 financial year to votes and the main divisions within a vote, and amendments to the purposes that are specified, are set out in the Schedule to this Act. 10

(2) The spending of appropriations envisaged in subsection (1) is subject to the provisions of this Act, the Public Finance Management Act and the Division of Revenue Act, 2016 (Act No. 3 of 2016). 15

Amounts listed as specifically and exclusively appropriated

3. An amount within a vote or a main division within a vote that is listed as specifically and exclusively appropriated in the Schedule to this Act, may be used only for the purpose indicated, unless the amount or purpose for which it was allocated, is amended by or in terms of an Act of Parliament. 5

Conditions for allocations

4. (1) The Minister may, in writing—
- (a) impose conditions on an allocation in an appropriation listed in the Schedule to this Act, other than a conditional allocation, in order to promote and enforce transparency and effective management in respect of revenue, expenditure, assets and liabilities of departments, public entities and constitutional institutions as required by section 6(1)(g) of the Public Finance Management Act; and 10
 - (b) stop the use of an allocation in respect of which conditions have been imposed in terms of paragraph (a), until such conditions are met. 15
- (2) The stoppage of an allocation in terms of subsection (1)(b) must be disclosed in the National Treasury's next quarterly report to the relevant Parliamentary Committees.

Use of unspent funds

5. (1) Despite section 5(1) of the Appropriation Act, 2016 and for purposes of expediting service delivery, the Minister may approve that unspent funds appropriated in— 20
- (a) a vote in the Schedule to the Appropriation Act, 2016; or
 - (b) the Schedule to this Act,
- be used for compensation of employees in the same vote.
- (2) Despite section 3 of this Act and section 43(4) of the Public Finance Management Act, the Minister may, for purposes of expediting service delivery, approve the use of unspent funds, in an amount appropriated for a vote in the Schedule to this Act, in respect of— 25
- (a) compensation of employees, provided that the amount is used within that vote for transfers and subsidies for the payment of severance or exit packages; 30
 - (b) transfer to another institution, provided that the amount is used for the same purpose within the main division it is appropriated to or another purpose which accords with the purpose of that main division; or
 - (c) payments for capital assets, provided that the amount is used within that vote.
- (3) Despite subsection (1), the Minister may not approve the use of unspent funds in terms of subsection (2)(b) or (c) for compensation of employees. 35
- (4) The approval of the use of unspent funds in terms of subsection (2) must be disclosed in the National Treasury's next quarterly report to the relevant Parliamentary Committees.

Delegations and authorisations 40

6. (1) The Minister may—
- (a) delegate to an employee of the National Treasury any power conferred on the Minister in terms of this Act, except section 7; and
 - (b) authorise an employee of the National Treasury to perform any duty imposed on the Minister in terms of this Act. 45
- (2) A delegation or authorisation in terms of subsection (1)—
- (a) must be in writing;
 - (b) is subject to any limitations or conditions that the Minister may impose;
 - (c) may authorise that employee to sub-delegate, in writing, the delegated power or authorised duty to another suitable employee of the National Treasury; 50
 - (d) does not divest the Minister of the responsibility concerning the exercise of the delegated power or the performance of the authorised duty; and
 - (e) may be withdrawn by the Minister in writing.
- (3) The Minister may vary or revoke any decision taken by an employee as a result of a delegation or authorisation in terms of subsection (1), subject to any rights that may have vested as a result of the decision. 55

Regulations

7. The Minister may, by notice in the *Gazette*, make regulations regarding any ancillary or incidental administrative or procedural matter that it is necessary to prescribe for the proper implementation or administration of this Act.

Short title

5

8. This Act is called the Adjustments Appropriation Act, 2016.
