Short title and commencement

MEMORANDUM ON THE OBJECTS OF THE SOUTH AFRICAN INSTITUTE FOR DRUG-FREE SPORT AMENDMENT BILL, 2023

1. BACKGROUND

On 31 October 2022, the World Anti-Doping Agency (“WADA”), wrote to the South African Institute for Drug-Free Sport (the “Institute”), advising the Institute that WADA had reviewed the South African Drug-Free Sport Act, 1997 (Act No. 14 of 1997) (the “principal Act”), as amended by the South African Drug-Free Sport Amendment Act, 2006 (Act No. 25 of 2006), and identified a number of provisions which do not comply with the World Anti-Doping Code (the “Code”), 2021.

WADA compiled and provided a Corrective Action Report to the Institute identifying the outdated provisions and noncompliant aspects in the principal Act that require to be updated or amended.

2. PURPOSE OF BILL

The purpose of the Bill is, therefore, to—

- (a) update and amend various provisions of the principal Act in order to remedy the noncompliance and address the issues identified by WADA;
- (b) amend some of the provisos in some of the provisions of the principal Act so as to make those provisos to be separate provisions themselves concerning some of the matters provided for in the Code and to make the principal Act user friendly; and
- (c) ensure that South Africa does not only have a Statute that implements the Code, but also a Statute that is consistent with the Code.

3. CLAUSE BY CLAUSE ANALYSIS

3.1 Clause 1

Clause 1 of the Bill amends section 1 of the principal Act. It seeks to delete, insert and substitute certain definitions in section 1 of the principal Act. The changes made to section 1 are substantial. Therefore, instead of dealing with the affected definitions individually, clause 1 substitutes section 1 of the principal Act in its entirety. The words in the definitions are now defined so as to bear the meaning contained in the Code.

3.2 Clause 2

In terms of section 2 of the principal Act, the Institute is established as a corporate body which essentially means that it is a juristic person. In terms of the Public Finance Management Act, 1999 (Act No. 1 of 1999) (the “PFMA”), the institute is a national public entity and is listed in Part A of Schedule 3 to the PFMA.

Clause 2 of the Bill, therefore, seeks to replace the phrase “corporate body” with the phrase “public entity” and to provide that the Institute is a National Anti-Doping Organisation of the Republic. This seeks to make it express and convenient for the reader of the principal Act to know that the Institute is a public entity and a National Anti-Doping Organisation.

3.3 Clause 3

Clause 3 of the Bill amends section 10, which deals with the objects of the Institute, of the principal Act by substituting subsection (1)(d) and also substituting subsection (2). In paragraph (d), the words “a centralised” and “programme” are deleted, while in subsection (2) the words “the Department” are inserted. These are consequential amendments caused by the amendments made in section 1 of the principal Act, namely the deletion of the words “doping control programme” and the insertion of the word “Department”.

3.4 **Clause 4**

Clause 4 of the Bill amends section 11, which deals with the powers and duties of the Institute, of the principal Act by deleting paragraphs *(b)* and *(c)* and substituting paragraphs *(f)*, *(l)* and *(n)* of subsection (2) thereof. The words “International Standard for Testing” in paragraph *(f)* and “Registered Testing Pool” in paragraph *(l)* are deleted. The proviso in subsection (2)*(n)* is deleted and captured in subsection (2A)*(a)* and *(b)* which has been inserted after subsection (2) of section 11(2) of the principal Act.

3.5 **Clause 5**

Clause 5 of the Bill provides for the repeal of section 11A to C of the principal Act.

3.6 **Clause 6**

Clause 6 of the Bill provides for the substitution of section 17 of the principal Act with a new section 17.

3.7 **Clause 7**

Clause 7 of the Bill provides for the substitution of section 17A of the principal Act with a new section 17A wherein the acronym “SRSA” is substituted with the words “the Department”.

3.8 **Clause 8**

Clause 8 of the Bill provides for the substitution of the long title of the principal Act.

3.9 **Clause 9**

Clause 9 of the Bill provides for the short title and commencement.

5. FINANCIAL IMPLICATIONS FOR THE STATE

The Bill will not have any organisational and personnel implications for the Department and does not create any financial liabilities for the state.

6. PARLIAMENTARY PROCEDURE

The Bill was presented to and approved by the Cabinet. The Bill was also sent to the Office of the Chief State Law Advisor (the “OCSLA”), in the Department of Justice and Constitutional Development for scrutiny and legal opinion.

The Department and the OCSLA are of the opinion that—

- (a) the Bill should be dealt with in terms of the procedure established by section 75 of the Constitution of the Republic of South Africa, 1996, since it contains no provisions to which the procedure set out in sections 74 or 76 of the Constitution applies.
- (b) it is not necessary to refer the Bill to the National House of Traditional and Khoi-San Leaders in terms of section 39(1) of the Traditional and Khoi-San Leadership Act, 2019 (Act No. 3 of 2019), due to the fact that the provisions of the Bill do not—
 - (i) either expressly or implicitly pertain to customary law or customs of traditional or Khoi-San communities; and
 - (ii) pertain to any matter referred to in section 154(2) of the Constitution.
